

Brief Profile

CMS Roads Sdn Bhd – a subsidiary of CMS Works Sdn Bhd – maintains over 4,800 km of roads throughout Sarawak under 15-years concession awarded by the State government to Cahya Mata Sarawak Group.

This appointment is part of the privatization programme of the management and maintenance of State Roads in Sarawak previously maintained by the Public Works Department (JKR). The project, covering approximately 4,800 km of State Roads, commenced on 1st January, 2003 and had placed CMS Roads Sdn Bhd at the forefront to becoming the leading road maintenance concessionaire in the region.

Using an internationally recognized road management and maintenance system, CMS Roads' scope of work includes maintenance and repair of road surfaces as well as road markings and furnishings such as signages, road side drains and culverts.

The company operates the "Hotline Jeraya" toll-free telephone service which has become a popular feedback mechanism for the public to give up-to-date information on the conditions of roads.
